

Sponsorship Form

Mountain West Miniature Horse & Shetland Pony Owners, Inc. was formed in 1991 by a small group of horse lovers interested in promoting the American Shetland Pony and American Miniature Horse. From a small beginning, our membership has grown to include members in surrounding states as well as Utah.

Each year, the club organizes an American Shetland Pony/American Miniature Horse Registry-sanctioned show held in Logan Utah.

The club is a 501(c) not-for-profit corporation run solely by volunteer help and leadership. Although donations are not tax deductible at this time, we offer excellent advertising opportunities, and businesses can usually write off expenses as such. (consult with your local tax advisor.)
